

Corporate Art Lessons with Tammy

Creative, challenging and fun workshop for your next staff development day. Something different that will challenge, encourage and bring a breath of fresh air to your work place. Staff produce a piece of art that will surprise and teach a few valuable lessons along the way...

- ▶ Balanced Left and Right brain thinking
- ▶ Approaching tasks from different perspectives
- ▶ Problem solving, Creative thinking, Self Evaluation
- ▶ Importance of process as well as being creative to be productive
- ▶ Encouraging correct attitude, self belief and risk taking
- ▶ Constructive Feedback and a lot of laughs!
